

ASC Armaturen GmbH
 your competent partner for all
 valves and automation needs !

Product summary

LEISTUNGSÜBERSICHT:

- ball valves, wafer + flanged, DN 15-400, PN 6-320, ANSI 150-3200, cast iron, steel, stainless steel
- butterfly + gate valves, wafer and lug type, cast and ductile iron, steel and stainless steel
- nor return valves, brass + stainless steel, thread + flanged connection
- actuators: pneumatic, electric, hydraulic, solenoid valves, limit switches, positioner
- please contact us for a special solution tailored to your wishes

brass ball valves, female thread, 2- and 3-way + DVGW

Art. 300 Art. 380 Art. 430 Art. 2500 Art. 3110/3210 Art. 3500/3600

ball valves, thread and welded end, body steel + stainless steel

Art. 703 Art. 704 Art. 710 Art. 712 Art. 713 Art. 715

high pressure ball valve, thread + cutting ring union, steel + stainless steel, 3 + 4-way to

Art. BKH Art. SKH Art. RKH Art. BK3 Art. 3/4KH Art. FSKH

wafer ball valves, steel + stainless steel, 3-way to with L-bore

Art. 721 Art. 722 Art. 724 Art. 721E Art. 776ST Art. 776VA

flanged ball valves, GG-25, GGG-40, steel + stainless steel, DIN-and ANSI length, DVGW to

Art. 730 Art. KPN Art. 760 Art. 761 Art. 732 Art. 236DC

Produkt - summary

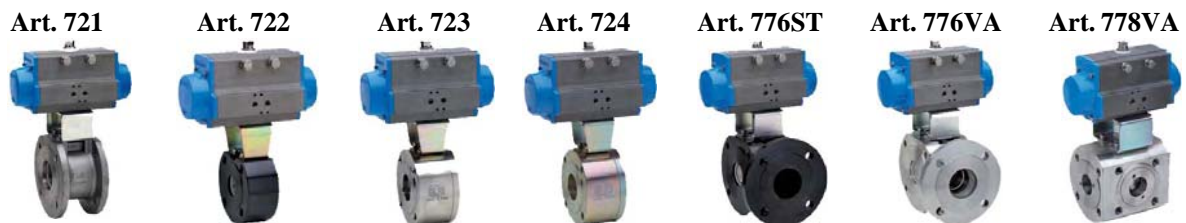

actuators, pneumatic double- + single acting, electric, hydraulic

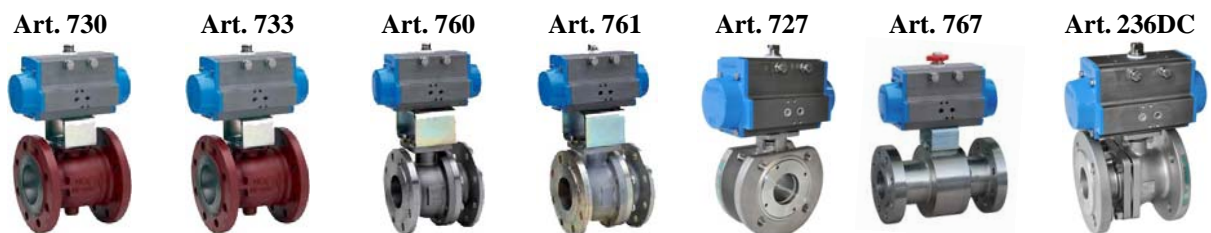

ball valves with pneumatic actuators, double- and single acting

wafer ball valves with pneumatic actuators, double- + single acting

flanged ball valves with pneumatic actuators, double- + single acting

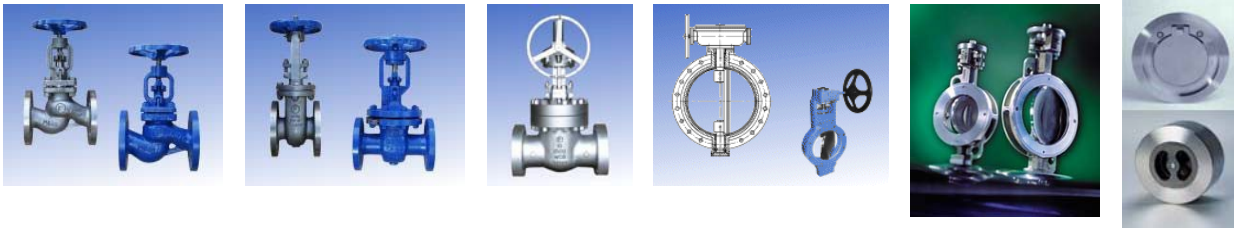

butterfly- + ball valves with electrical or pneumatic actuators

Normely we can build many other actuators, just as you like.

If you still can't find a suitable valve here, please contact us for a special solution tailored to your wishes.

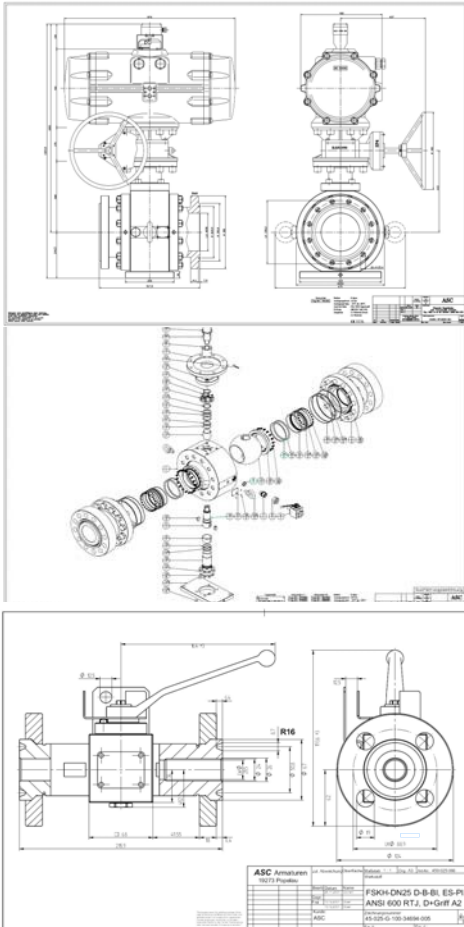

furthermore available. please contact us for a special solution tailored to your wishes.

Approvals, inspections and testing in our house.

special solutions + individual CAD design
